NEWSLETTER FOR OUR RAVING FAN CUSTOMERS

June is National Homeownership Month

## Who you work with matters.

“My boyfriend and I had been house shopping for a few years before we found our home. We had dealt with a previous loan officer whom we didn't really connect with or feel comfortable asking the nitty-gritty questions. **When we got in contact with Equity, the entire process changed.** They checked in on us to ensure we understood how everything was going, answered each and every question we had, explained all of the jargon, and most of all, **CARED.** They **genuinely cared** that we were buying our first home together, not just needing a lender. They never treated us like any other customer, but as people/friends.”

- Lauren

## THE POWER OF COLOR

COLOR EVOKES MOOD. CHOOSE WHAT FEELS RIGHT.

### HAPPY & ENERGIZING

Bright, sunny tones are often linked to optimism and can boost mood and energy levels.

Perfect for:  
Kitchens, entryways,  
or anywhere you want  
a cheerful lift.

### CALM & FOCUSED

Cool blues tend to promote relaxation and clarity, making them a great choice for focus and rest.

Perfect for:  
Bedrooms, offices,  
or quiet spaces.

### BALANCED & REFRESHING

Inspired by nature, green is associated with calm, balance, and renewal—ideal for creating a peaceful, restorative environment.

Perfect for:  
Living rooms, bathrooms,  
or any space where you  
want to unwind.

### BOLD & STIMULATING

Warmer tones can increase energy, excitement, and even appetite, which is why they're often used in social or high-activity areas.

Perfect for:  
Dining rooms, game rooms,  
or any space where people  
gather and energy matters.

## YOUR REFERRALS ARE THE GREATEST COMPLIMENT

We helped **Ben** buy his first home last year. Then when his **sister Sarah's** landlord gave her the opportunity to purchase the house she had been renting for three years, Ben told her to call us. As a nurse, **Sarah qualified for state grant funds and was able to buy her first home last month with minimal cash at closing!**

**National Pink Flamingo Day** is June 23rd, honoring the iconic plastic lawn ornament originally designed in 1957 in Leominster, MA (the Plastic Pink Flamingo Capital of the World).

**FUN FACT:** The Guinness World Record for the longest line of garden flamingos is 4,280, covering 3,566 feet. This was achieved in Buffalo, NY June 21, 2022.

### Florida's Flamingos Are Back

After nearly a century of absence, wild flamingos are making a surprising return to Florida! It is thanks in part to Hurricane Idalia, which carried flocks of them from the Caribbean into Florida in 2023. They are being spotted again in the Everglades, especially around Florida Bay.

## Top 5 Dad Sayings

IN HONOR OF FATHER'S DAY

- "Hi hungry, I'm Dad." (when anyone says "I'm hungry.")
- "Guess it's free then." (when something doesn't scan)
- "Did you fall in?" (when you take too long in the bathroom)
- "That's how they get you." (when declining a warranty or upsell)
- "That's not going anywhere." (typing something down in a questionable way)

## 5 HOMEBUYING MYTHS & THE TRUTH

WHAT MOST BUYERS THINK → WHAT'S ACTUALLY POSSIBLE

Clip and give to someone who is renting!

- 1**  **X** You need a lot of money for a down payment.

**✓ REALITY:** Many buyers qualify with little to even \$0 down, plus there are down payment assistance options, our Equity Zero program, and gift money is acceptable.
- 2**  **X** My credit has to be perfect.

**✓ REALITY:** Buyers qualify with scores as low as 580 (depending on loan type.) We offer common sense underwriting.
- 3**  **X** Getting pre-approved is complicated.

**✓ REALITY:** It's typically quick and straightforward, often done in minutes with our app and it is a necessary step for buyers who want their offer to be accepted.
- 4**  **X** You should wait for rates to drop.

**✓ REALITY:** Waiting can backfire as home prices continue to rise or competition increases. You can refinance later to a lower rate, but you can't go back and buy at yesterday's prices.
- 5**  **X** The process is overwhelming and stressful.

**✓ REALITY:** With the right team, it can be smooth, easy, and even enjoyable. We believe education + communication = confidence.

Know someone still renting because they think they can't buy? We'd be happy to run the numbers and show them what's possible, have them call 774-573-0329!
